When You Place Your Ad in the Directory

You are not only talking to all persons looking for goods in your line, but you are backing up all the other advertising you are doing or have done. Many times every day people are looking you up in the directory who have seen your advertisement elsewhere. The representation in the directory is your closing argument, should it be WEAK? We believe there is only one business answer to this.

**WHEN YOU PLACE YOUR AD
 IN THE CITY DIRECTORY**

You are not only talking to all persons looking for goods in your line, but you are backing up all the other advertising you are doing or have done. Many times every day people are looking you up in the directory who have seen your advertisement elsewhere. The representation in the directory is your closing argument—should it be WEAK? We believe there is only one business answer to this.

"To Evolve a Perfect Fountain Pen"

Has been our chief ambition during our many years in business, and we have succeeded in doing so. The day has passed when people were contented with an ordinary fountain pen, and hence, the accompanying necessary development. The

Paul E. Wirt Fountain Pen

CARRIES AN UNCONDITIONAL GUARANTEE

Which gives the purchaser sufficient assurance of the success to be had. But, after all, it's the

ABSOLUTE PERFECTION OF ITS WRITING QUALITIES, ITS STYLE AND FINISH

which has made us put forth such an exceptional offer.
